

Specifications for Propylene

Parameter	Value
Molecular Formula	C3H6
Mol Wt	42.05
CAS #	[115-07-1]
Description	Gaseous substance
Propylene Content (%)	99.5 min
Contents of stray gases	Report
Vapour Pressure in mm Hg at 20 deg cel	2000

Uses:

Industry	Application
Process and Manufacturing	In mfr of propylene oxide, propylene chloride and propionaldehyde
Polymer	In mfr of polypropylene
